# WELCOME NOTE

大家好！

在盛世贵族，我们相信全部都是关于我們内部的核心。这一切有赖于我们一众的优秀人才每天所创造、构建、实践和支援以致我们的最终目标：通过游戏的力量为生活带来快乐。我们为亚太地区的出色团队感到自豪，如果没有不断扩大、多元文化的人才网络的巨大支持，我们就无法完成我们的工作。我们会遵循我们的核心价值，走近並了解我们客户的需要。

为此，这些都与我们的客户以及我们服务的市场有着更深层次的关系。我们怎样才能更好地了解赌场营运及客户的需求？我们如何提升彼此间沟通？每天角子机派彩是重要的指标，但对客户来说并不是唯一的事。我们需要监察正确的指标，提出正确的问题，用数据支持并给予建议，最终提供适当的产品和服务，为您的玩家提供的更好的娱乐体验。

與此同時，我們正努力更深入地与我们服务的社区建立联系。我们感到自豪能為澳门社区出一分力，与本地大学合作开展技术教育计划和赞助更多本地的慈善活动。我们也在菲律宾做了很多活动计划 - 包括行业培训、风灾重建以及清理海滩等。我们很高兴有望将这些计划的范围进一步扩展，为客户，亚太地区行业的人才作出一个长远的承诺。

在承诺这方面上，盛世贵族亦感到自豪能在亚太地区保持著最广泛及最深刻的角子机产品组合。我们将会比其他竞争者更努力，开发更多亚洲地区的精彩游戏，继续培养那些多年来为您在角子机游戏领域取得成功做出贡献的优秀品牌。在亚洲，您很快就会看到来自盛世贵族的新产品；这些将会是增量的承诺水平实现，而不是以我们的核心为代价。

您将在随后的页数中看到我们的承诺，接下来是我们2019年将有一系列的产品阵容。您将在极为重要的连线游戏系列中找到快乐 - 最近发布的变金串88™，现在已经非常火热；有奇幻派彩™和八宝黄龙™紧随其后，我们相信这种势头将会继续。您也許还会注意到其他极受追捧的游戏 - 闪电连环™和金银满布™等系列游戏产品。独立和高额投注区将会是我们核心品牌的扩展，其中包括卷轴机制 - 东海之王™及迎春接福™ 也是我的最爱。盛世贵族特别产品继续有配置在ARC™Double的五龙争霸™巨奖，以及即将推出的配置在ARC™Single的五龙争霸™ 黄金版终极。

我们为彼此的未來感到兴奋。我们知道您将继续支持我们。感谢您！

Hello and Welcome!

At Aristocrat, we believe it's all about what's inside. This starts with a fantastic group of people dedicated to creating, building, delivering and supporting our mission: to bring joy to life through the power of play. We pride ourselves on having an amazing team on the ground here in Asia-Pacific, but couldn't do our jobs without the tremendous support of an increasingly large, increasingly diverse, global network of Aristocrat talent. We're guided by our core values and encouraged to get ever closer to the needs of you, our customer.

To this end, it's all about a deeper connection to our customers and the markets that we serve. How can we better understand the needs of casino operators and patrons? How do we elevate the dialogue? Win Per Day Per Unit is an important measure, but it's not the only thing that matters to our customers. We need to be observing the right metrics, asking the right questions, supporting our recommendations with facts and, ultimately, providing products and services which that help you engage your patrons and deliver the best possible entertainment experience.

At the same time, we're striving to connect more deeply with the communities in which we live and work. We're proud to play our part in the Macau community, partnering with universities on technical education programs and charities to further the causes that matter to locals. We're also doing more in the Philippines - from industry training to typhoon recovery and beach clean-up. We are excited at the prospect of expanding the reach of these programs further, as part of our long term commitment to our customers, our people and markets throughout the region.

On the topic of commitment, Aristocrat is also proud to maintain the broadest and deepest portfolio of slot product in Asia-Pacific. We'll continue to work harder than our competitors when it comes to developing the next, great games for the region and for the Asian patron globally. We will also continue to nurture those great brands which have contributed, over the years, to your success in slot gaming. In Asia, you'll soon see new and different product verticals from Aristocrat; these will come at incremental commitment levels and not at the expense of our core.

You'll see this commitment in the pages that follow as we have a fantastic line-up of product for 2019. You'll find joy in the critically important Linked Jackpot segment. The recently released Gold Stacks 88™ is off to a very hot start, and with the likes of Welcome to Fantastic Jackpots™ and Ba Bao Huang Long™ coming soon, we're confident this momentum will continue. You'll also notice support titles for the exceedingly popular Lightning Link™ and Mighty Cash™ families of games. The Standalone and High Limit segments will benefit from the extension of many core brands featuring Reel Power mechanics - Dragons of the Eastern Ocean™ and Lucky Festival™ being a couple of my favourites. Aristocrat Special Products continues to stand out with 5 Dragons Grand™ in ARC™ Double and 5 Dragons Gold Max™ coming soon to ARC™ Single.

We're excited for our future, and dedicated to yours. We know that you'll continue to hold us accountable for those goals that we set. Thanks for your friendship.
